

In the Claims:

Please amend claim 1 and 14 as follows:

1. (Amended) A digestive capsule device that is swallowed and will then [to] transmit a distress/location signal from inside the human body [the device] comprising:

A. A digestive Capsule;

B. A transmitter and;

C. A power unit

of which the said transmitter and the said power unit are in the capsule

**[Elements B and C will be in element A.]**

14. The sensor device of claim 2, wherein the sensor will be activated by the inflation of a life jacket [an item].

REMARKS

Reconsideration of the above-identified application in view of the amendments above and the remarks following is respectfully requested.

Claims 1-14 are in this case. Claim 1-14 have been rejected. Independent claims 1 and dependent claim 14 have been amended.

Objections

The Examiner has objected to the drawing since there is one drawing figure, not three. The drawing has been amended to overcome the examiners objection.

The Examiner has objected to claims 1 since it is not one sentence. Applicant has amended claim 1 to overcome the Examiner's objections.
